**OUR AIMS**

The Fund aims to help improve the condition of women and to provide equal rights in all the countries of the Mediterranean basin, for contributing to the reinforcement of the solidarity of these communities, whether this be at a local or a regional level.

**OUR MISSION**

To provide, in order to help, the financial or technical means which are necessary in order to support actions planned by groups, associations, organizations and individuals, so as to promote, in Mediterranean countries who seek equal rights for men and women.

**OUR PRINCIPLES**

The activities of the Fund have as their point of reference a series of principles, which are the product of the experiences of Mediterranean countries who seek equal status and the same opportunities.

**OUR PROGRAM**

The Fund has provided itself with two types of actions in order to achieve its objectives.

1. **GAINING PROGRAM**

   - Strengthening of regional networks
   - Transfer of information and experiences between women from the Mediterranean region
   - Support for the coordination of networks
   - Strengthening of women's movements as a local level
   - Activities towards the advancement of information and experiences between women from the Mediterranean region
   - Support for the coordination of networks

2. **CRAFT-MAKING PROGRAM**

   - Support for the coordination of networks
   - Strengthening of women's movements as a local level
   - Activities towards the advancement of information and experiences between women from the Mediterranean region
   - Support for the coordination of networks

**HOW CAN YOU HELP US?**

     * A donation by credit card or by other means (monthly, quarterly, or annually)

2. **BY MAKING A PRACTICAL CONTRIBUTION**

   - You can support the activities of the Fund by offering your help individually, whether by making a donation.
     * A part subscription (regular donations)
     * A donation by credit card or by other means (monthly, quarterly, or annually)

**OUR AID TO WAYS TO HELP IMPROVE THE CONDITION OF WOMEN AND PROVIDE EQUAL RIGHTS IN ALL COUNTRIES OF THE MEDITERRANEAN BASIN**

For several decades, these associations engaged in the defence of women's rights have been the subject of a common policy of promoting a Mediterranean identity in order to promote social support and to create networks between women movements from the countries around the Mediterranean.

At the same time they express their difficulties in raising their voices, as having an engagement for peace. The Fund aims to help improve the condition of women and to provide equal rights in all the countries of the Mediterranean basin, for contributing to the reinforcement of the solidarity of these communities, whether this be at a local or a regional level.

**OUR MISSION**

To provide, in order to help, the financial or technical means which are necessary in order to support actions planned by groups, associations, organizations and individuals, so as to promote, in Mediterranean countries who seek equal rights for men and women.

**OUR PRINCIPLES**

The activities of the Fund have as their point of reference a series of principles, which are the product of the experiences of Mediterranean countries who seek equal status and the same opportunities.

**STRATEGIZED AND FINANCED ACTIVITIES**

By making a practical contribution, you can help to participate in the creation of a society where women and men have equal status and the same opportunities.
